

## **ADDITIONAL PROGRAM COSTS**

While a majority of the costs for equipment, lab supplies, and learning materials are covered through student tuition and fees (e.g. fanny packs, CPR course fees), there are other costs that are the financial obligation of the students enrolled in the Athletic Training program. A summary of those costs are listed below; however, this list is neither exhaustive nor exclusive to all student financial obligations. ***Those items listed in italicized print*** are not required of students, but students may choose to participate in these activities and thus incur the additional costs.

### **Freshman Year**

- Books and required notes packets
- Physical examination and inoculation costs
- *DUSAT and NATA professional dues*

### **Sophomore Year**

- Books and required notes packets
